WEDNESDAY, 9 MAY

13.00 Lunch
14.15 Welcoming of the participants
dr inż. Jacek Michalak
President of the Management Board of the
Association for Thermal Insulation Systems
14.20 Construction market from the perspective
of construction supervision, mgr Roman Sobczak
Main Construction Supervision Office
14.50 Risk in the assessment of properties of products
associated with the uncertainty of results of
laboratory tests, dr inż. Ewa Szewczak
Building Research Institute
15.20 Coffee break
15.45 Application of ETICS on ETICS
Ralf Pasker, European Association for ETICS
16.15 High performance materials for ETICS
prof. dr Andreas H. Holm, Forschunnsinstitut
für Wärmeschutz e.v. München
16.45 Mineral wool: in ETICS: Potential for use,
mgr inż. Maria Dreger, Association of Manufacturers
of Mineral Wool, Glass Wool and Rock Wool
17.15 Styrofoam in ETICS: Over half a century of
experience, mgr inż. Marcin Jaroszyński
Polish Association of Manufacturers of Styrofoam
19.30 Dinner

THURSDAY, 10 MAY

9.00 Breakfast
9.30 Thermal insulation systems with ceramic or
stone exterior finish in the light of the European
Assessment Document (EAD)
mgr inż. Anna Kukulska-Grabowska
Building Research Institute
10.00 European Assessment Document for complex
thermal insulation systems with thin coat finish
for use in wooden frame buildings
dr inż. Wojciech Drożdż, Ceramics and Construction
Materials Institute
10.30 Performance of ETICS using PUR and PIR
thermal insulation panels
mgr inż. Małgorzata Niziurska
Ceramics and Construction Materials Institute
11.00 EIFS – American approach to the thermal
insulation system,
dr Artur Miros
Institute for Construction Industry
Mechanisation and Rock Mining
11.30 Coffee break
12.00 Mechanical fixing of ETICS
mgr inż. Paweł Gaciek,
Association for Thermal Insulation Systems
12.45 How to increase the efficiency of communication
among the participants of a construction
process? mgr inż. Ewa Kosmala
Sustainability Trainers & Experts
13.45 Lunch

15TH ANNIVERSARY OF THE ASSOCIATION
FOR THERMAL INSULATION SYSTEMS

15.00 Recreational activities
related to the celebration
of the anniversary
20.00 Formal dinner on the occasion
of the celebration of the anniversary

FRIDAY, 11 MAY

10.00 General Meeting
of the Association
for Thermal
Insulation Systems
