Intelligent Energy - Europe

BUILD UP is funded under the **Intelligent Energy - Europe programme** (2007-2013) that is managed by the **Executive Agency for Competitiveness & Innovation (EACI)** on behalf of the **European Commission**.

*The interactive BUILD UP web portal is provided by the service providers **INIVE EEIG**, **MediaResponsable** and **PRACSYS** in the frame of a service contract signed with the EACI.*

Goals

🏠 Connect and gather

Public
authorities

Building
professionals

Building
occupants

🏠 Become THE European portal for energy efficiency in buildings

How:

- ▶ **By transferring best practices of energy savings measures to the market and fostering their uptake**
- ▶ **By keeping the market updated about EU energy policy for buildings**

BUILD UP Europe's collective intelligence

Promote know-how

Transfer experience
