CESB16 Exhibition

A technical exhibition will be organized along with the Conference to demonstrate new technologies, materials, products and services of companies, which are active in sustainable building. The exhibition will be located in the main atrium of the Faculty of Civil Engineering close to the conference halls. All the organizations, individuals and whoever else interested in the exhibition and in introducing themselves to the Central European experts and business partners are warmly invited. Conference secretariat will provide you with more detailed information.

CESB series

The organizers have track record in organizing CESB events since 2007. Last time, CESB13 contributed to sharing knowledge among 260 participants from 38 countries. All papers from previous CESB series are available at www.cesb.cz.

Submission of abstracts

Abstracts of 150–250 words in English shall be submitted through www.cesb.cz **by 15 June 2015**.

All papers accepted by the Scientific Committee and presented at the Conference in oral or poster form will be published in printed book of proceedings. Oral and poster presentations shall be in English. All published papers are going to be submitted for indexing in Scopus and Web of Science databases, similarly to previous CESB proceedings.
