Have your questions about smart buildings answered by experts!

On 14 February, the Concerted Action on the Energy Performance of Buildings Directive (CA-EPBD) is holding the public event 'Smart buildings for a greener Europe: emerging policy and practice'.

You are invited to hand in your questions to the panel by sending an email to pr@buildup.eu or on Twitter using [#AskBUILDUP](https://twitter.com/AskBUILDUP).

The event, held in St Julian's, Malta, will be streamed live on www.buildup.eu.
